

Site Host Benefits:

- If you meet the delivery minimum for your area, you will be offered a compensated vegetable share
- Hosts will receive a 5% discount on shares and bulk orders, as well as full access to any leftover swap box / leftover items each week
- We do encourage hosts to consider donating leftover produce to local food banks or families in need
- create a CSA community: some site hosts set up Facebook groups, recipe swaps, or even small community events!

Site Host Guidelines:

- Have an easily accessible and covered space to set up CSA
- Establish at least a 3-hour window for members to collect their shares
- Be reachable (via email or phone) for members
- Clear any unclaimed items and donate the excess
- Store 4'x2' cooler from week to week.
- Assist with marketing to meet delivery minimums
